

# The BCRC Swap

Mar 3, 2009

>> This is the Border City Radio Club Swap! Amateur radio, computer and other related items can be listed here free of charge. These listings may be read over the air in the SWAP portion of the Sunday Night Net at 2000 hrs (8:00pm). Listings may be edited for size or content before appearing in the Swap. The BCRC assumes no responsibility for any items purchased, sold or traded, or for the transactions taking place. The date in brackets after the end of each listing denotes the month and year of the first listing.

>> Listings are checked every so often for length of posting, and depending on space, time listed, and membership, may be dropped. If your listing has been dropped and you wish it still listed, please resubmit it. And likewise, if an item has been sold/found/picked up or needs to be updated, please notify the swap-meister.

>> Unless specified, prices listed are in Canadian dollars, and do not include shipping, etc. Also note that several listings have email contacts. These have been 'expanded' to confuse spam-scrapers. Replace 'AT' with '@'. Unless mentioned, all phone numbers are Area Code 519.

>> To add, delete or modify items for the Swap, contact Swap-meister Ken VA3ETR at the monthly meeting, at the end of the swap, to Ken's e-mail address **kgarber AT cogeco.ca**, or send your list to the mailing address on the main page or in the newsletter.

>> Reading of the Swap: If you'd like to read the Swap on any of the nets, please contact the Net-Meister to make arrangements.

>> On the Internet - <http://home.cogeco.ca/~bcr3>
