You are invited to come enjoy this dive site with a slow gentle entry or giant stride in. The max depth is 37 feet. The bottom composition is gravel and rocks. The site will be open in the future for diving with 24 hours notice. Please let us know approximately how many people to expect.

The cost is \$5 per diver. The list of prizes can be seen on the explorer diving website <http://explorerdive.webs.com/>. We look forward to seeing everyone out for a good time. If you are curious about learning to dive drop by on the date of the dive and talk to any of the avid divers who are there.
