

# MONCTON HIGH SCHOOL SONG

Stand up and cheer for old Moncton High,  
Ring out her name right up to the sky,  
Play the game and then you'll see  
That is the road to victory.

Where'er you see our purple and white,  
You can be sure that we're out to fight  
For the school that we love best:  
So cheer loud for victory.

In our short time we try hard to keep  
Our old spirit that's grown so deep,  
With the grads of former years  
For Alma Mater give three cheers.

Old Moncton High will win o'er them all,  
Come Moncton High and answer the call,  
We will try to lead the rest,  
So cheer loud for victory.

Moncton High School  
Rip Rip Rip  
Moncton High School  
Rip Rip Rip  
Purple and White  
Purple and White  
Rickety Rackety  
It's alright!  
Shout it out with all your might!  
M-O-N-C-T-O-N  
Moncton  
YAYYYYYYYYY!!!!
