

## MINISTRY SPOTLIGHT FOR JULY PASTORAL CARE

Each Sunday Pastoral Care Ministers visit the retirement and nursing homes in our parish: Fairfield West, The Rosewood, Trillium Ridge and Trillium Court. Many of these residents are our parents and grandparents, our aunts and uncles; all of them are members of our extended parish community. These residents welcome visits, the opportunity to receive Communion and the assurance that they have not been forgotten.

Father Byrne celebrates Mass, each Friday, at one of these retirement homes. Pastoral Care Ministers help Father at these Masses by setting up the chapel as well as assisting residents in getting to and from the chapel. Every third month the residents receive the Sacrament of the Sick. The residents appreciate the social time we spend with them.

During the month of July, please take time to view the display in the gathering space and see the other important areas of Pastoral Care Ministry in our parish. We invite everyone - women, men, young and old, to take a brochure from the counter below the display. ***If you can offer two hours of your time, once a month,*** then please consider joining our Pastoral Care team. YOUR PARTICIPATION IN PARISH PASTORAL CARE MINISTRY WOULD BE VERY MUCH APPRECIATED! Please contact Mike Lazure at the church office [stpaulrc@cogeco.ca](mailto:stpaulrc@cogeco.ca) or 613.389.8222.
